COMMENTS:Mr. Williams stated several situations prevented him from amending timely. When he received the first letter, he was amidst an Election Recall. Mr. Williams said the Recall was initiated before he was sworn into his new term, and soon after, he was blighted by false accusations, harassment, defamation, loss of financial possibilities within his business and court hearings. Fighting the recall "significantly engulfed" all of his time and hindered his daily activities. In October 2018, he received a notice and immediately contacted the Investigator. He amended disclosure, confirm receipt of his amendment and was informed by the Investigator that nothing further was needed. He stated he hadn't received any other letters regarding the matter until he received the Late Fee Order. He then contacted the PFD Director, and learned that several unsuccessful attempts had been made to contact him. He was subpoenaed, however, does not recall being served, so he contacted the St. Martin Parish Sheriff's Office, but was unable to obtain the service records to prove he did not sign for the subpoena. Another notice was returned to BOE by the USPS and marked as "No access to delivery location". A second subpoena was issued but the officer was unable to serve him at his home address. He believes the failed attempts made during his recall, were orchestrated by the people that sought his removal, so his notices/mail were deliberately withheld. The most recent notice, regrettably comes at a very tumultuous time in his life, as he is trying to navigate the circumstances of Covid-19". He finances have been impacted, as he has lost his main source of income as a self-employed musician due to lack of events, business closures and mandated restrictions. At this moment, he and his family are struggling with the financial strain. He graciously asks the Ethics Board to take his financial situation into account. This is Mr. Williams' first late fee.

Department of State Civil Service **Louisiana State Board of Ethics** P. O 4368 Baton Rouge, LA 70821

To whom it may concern:

Greetings to all board members and respective directors within the Board of Ethics departments. I, Dennis Paul Williams, am humbly petitioning that all fees associated with the late filing of my financial disclosure statement be waived, based on several previously on-going situations within the timeframe of the submission of my Amended Tier 3 Annual Personal Financial Disclosure and the recently received certified letter sent by Donna Bourgeois, Administrative Coordinator.

As an elected-official, I have faithfully served my community for over sixteen years. During that timeframe I have successfully submitted all required documentation to the state in a timely manner, previously incurring no penalties or violations within my tenure. During the time that I originally received the first certified letter regarding the late filing, I was amidst a recall. The recall was initiated before I was even sworn into my new term. It completely blind-sighted me and soon afterwards I was blighted with false accusations, harassment, character defamation, loss of financial possibilities within my business and court hearings, hence, the late filing of my Tier 3 Annual Personal Financial Disclosure. Fighting the recall significantly engulfed all my time and completely hindered me in my normal day to day activities. (see Exhibit A of supporting documents) (additional corresponding documents to follow the submission of this waiver). Some documents added to my file by Ashley Wimberly include news articles about the recall and records of timely filings and no previous penalties.

In October of 2018, I received a certified letter from investigator, Roy Brees. I immediately contacted him and emailed my Amended Tier 3 document. I then called his office to ensure he had received it. Mr. Roy Brees confirmed that he had received. I asked the investigator Roy Brees, if there was anything more that needed to be done on my part and he clarified that he had everything that he needed and nothing more needed to be done. (see Exhibit B of supporting documents).

From my last interaction with Roy Brees in October of 2018, I did not receive any additional correspondence regarding the matter until June 29 of 2020. I immediately contacted Mrs. Ashley Wimberly, the Director of the Disclosure Division. Mrs. Wimberly informed me that the late fees were assessed based on the late filing of Amended Tier 3 Financial Disclosure. This was the first contact that had been made to me from the state since October of 2018. (see Exhibit C of supporting documents).

Through my interaction with Mrs. Wimberly, I learned that several unsuccessful attempts had been made by the state to contact me regarding this issue. The first attempt made by the Louisiana Board of Ethics, the letter was lost and unreturned. (see Exhibit D #1 of supporting documents). The second attempt made by the Louisiana Board of Ethics stated that it was served, but I do not recall being served on that occasion. I contacted Mrs. Wimberly to inquire if her department keeps record of recipient signatures. She informed me that the sheriff's department would hold most likely hold that record, but

her office did not. I contacted the St. Martin parish sheriff's office, but unfortunately, I was unable to retrieve that record. (see Exhibit D #2 of supporting documents). The third attempt made by the Louisiana Board of Ethics, was returned to the sender by USPS. The reason for the return rendered by USPS was "No access to delivery location". No additional attempts by USPS were made to attempt redelivery. (see Exhibit D #3 of supporting documents). The fourth attempt made by the Louisiana Board of Ethics was an attempt to serve. The reason that was stated read failure to serve after a due and diligent search and delivery attempts, they were unable to serve me at my home address. No attempts were made to serve me at any other location or City Hall. (see Exhibit D #4 of supporting documents). It is my belief that because these attempts were made during the active recall, people that sought my removal, deliberately withheld any correspondence that the state attempted to make to me at that time. I have addressed my concerns with the postmaster of the St. Martinville branch of the USPS. Had I received one of the many letters sent by the Board of Ethics in 2018-2019, I would have immediately settled this matter.

The most recent correspondence that I received in June of 2020, regrettably comes at a very tumultuous and different time in my life. All of us are trying to navigate within this new and unprecedented circumstance called Covid-19. Personally, my finances have directly taken a hit. I have lost my main source of income as a self-employed musician due to lack of gigs, business closures and state-mandated restrictions. At this moment, my family and I are struggling with financial strain. I am, without a doubt, more than willing to comply, but I graciously ask this board to take my financial situation into account as well. (see Exhibit E of supporting documents) (un-employment).

I would like to thank The Louisiana State Board of Ethics for the valiant efforts that were made to remedy this issue. A special thanks to Ashley Wimberly, who was extremely helpful in her willingness to answer all my questions and address each of my concerns. I am sincerely grateful for this opportunity to state my gase within this waiver.

RE: Tier 3 Annual Personal Financial Disclosure Statement for 2016 - Amendment Councilman for District 3 - City of St. Martinville - Late Fee Assessment - Report: PFD17006589

Dear Dennis Paul Williams:

Enclosed is an assessment of a late fee pursuant to La. R.S. 42:1124.4. Please submit a check or money order in the amount of \$1,500 payable to the Louisiana State Treasurer, Post Office Box 4368, Baton Rouge, Louisiana 70821.

You have 20 days from the receipt of this letter to submit payment or dispute this assessment. To dispute the assessment, you may elect to:

- Request a waiver to the Board of Ethics

 If you choose to request a waiver of the late fee, your request should include specific details, along with supporting documentation, as to why, in your opinion, you have good cause for not timely filing the report and why the late fee should be reduced, suspended, or waived. The request should be submitted to the attention of: Louisiana Board of Ethics, Post Office Box 4368, Baton Rouge, Louisiana 70821. You may also fax the request to 225/381-7271. Also, if you would like to appear before the Board of Ethics in connection with your request, you should state that in your request. If you request an appearance, you will be notified of the place and time prior to the meeting.
- Appeal the assessment directly to the Ethics Adjudicatory Board

 If you choose to appeal the assessment of the late fee, the proceedings will go before a three judge panel of administrative law judges. The panel will determine if you were required to file the disclosure statement and whether the disclosure statement was filed late. Mitigating factors are not considered. The Ethics Adjudicatory Board does not have the authority to reduce, suspend, or waive a late fee assessment. If you choose to appeal the assessment, you should submit your request to the attention of: Executive Secretary, Ethics Administration, Post Office Box 4368, Baton Rouge, Louisiana 70821. You may also fax the request to 225/381-7271.

If you do not pay, dispute, or appeal the assessment of the late fee, the matter will be forwarded to the Attorney General's Office to pursue collection. If the matter is forwarded to the Attorney General's Office for collection, you may be responsible for all additional costs incurred. Additionally, late fees not paid by the due date

You should be aware that unpaid fines, fees, or penalties may have an adverse effect on your ability to run for public office, as the *Board of Ethics* will object to your candidacy in future elections pursuant to La. R.S.

If you have any questions, you may contact Kristy F. Gary at either 225/219-5600 or 1-800-842-6630. Sincerely,
